

Friday 3:30-4:30 Workshop: Playing old-time fiddle tunes on harmonica

Cary Moskowitz of Chapel Hill, NC will give a two-part harmonica workshop on Friday afternoon: The first 30 minutes will be an introduction to playing fiddle tunes on harmonica for beginners. The second half hour will be aimed at harmonica players experienced in playing other genres who want to learn how to play fiddle tunes. Some (sterilized) harmonicas in paddy-richter tuning will be available for participants to use. Cary's new instructional book, [Old-Time Fiddle Tunes on Harmonica](#) will be available for purchase (with or without a harmonica). You can hear a preview of Cary's forthcoming album of fiddle tunes on harmonica [here](#).
